

# EDUCATION MOBILE KITCHEN WITH ONE INDUCTION COOKTOP

The 'Education' Mobile Kitchen can be used for demonstrations and to teach the art of preparing and cooking healthy food in rooms and other locations.

They are equipped with one cooktop, a convection oven, customised electrics, a sink, plumbing and services. Lockable drawers and cupboards are integrated into the platform

One person can easily wheel the Mobile Kitchen between rooms through doorways, corridors, and elevators. They may also be geographically relocated by towing on a trailer behind a small vehicle.
